

# CLEMENT KINGSLEY

Lagos Nigeria

kingsclement684@gmail.com / +2348132652982

## SUMMARY

Results-driven Software Developer with 3+ years of experience building scalable web and mobile applications using React.js, Next.js, and React Native. Strong expertise in JavaScript, TypeScript, RESTful APIs, state management, and backend services. Proven ability to improve application performance, reduce bugs, and deliver user-centric solutions across remote and cross-functional teams.

## SKILLS

- React.js & Next.js Development
- React Native & Expo
- JavaScript & TypeScript
- RESTful API Integration
- State Management & React Hooks
- Frontend Architecture
- Node.js Fundamentals
- Backend Databases (Firebase, Supabase, Cloudflare)
- Git & GitHub
- Debugging & Performance Optimization
- CI/CD Principles
- Agile Collaboration & Communication

## EXPERIENCE

### Full Stack React Developer / Hirenest - Lagos, Nigeria

09/2025 - 11/2025

- Designed and developed a scalable, high-performance web application using React.js and Next.js, improving initial load time by 25%.
- Built reusable UI components and implemented efficient state management with React Hooks, increasing maintainability by 60%.
- Integrated and consumed RESTful APIs, ensuring seamless data flow between frontend and backend services.
- Conducted testing and debugging processes that reduced production bugs by 30%.
- Collaborated remotely with cross-functional teams to deliver features aligned with business and user requirements.

### React Native/Expo Developer Trainer using AI / VTL Academy - Lagos, Nigeria

05/2024 - 09/2025

- Designed and delivered intensive React Native and Expo training programs, successfully mentoring 30+ aspiring mobile developers.
- Integrated AI-powered tools to automate code review, error detection, and feedback, improving learning efficiency by 40%.
- Guided students through the full Software Development Life Cycle (SDLC) from planning and development to deployment.
- Led hands-on projects enabling students to build and launch cross-platform (iOS & Android) mobile applications.
- Provided technical mentorship, improving students' problem-solving skills, debugging techniques, and coding best practices.

### Frontend Developer / Daniel Kregset - Oslo, Norway

04/2023 - 07/2023

- Collaborated with stakeholders to translate business requirements into functional and technical frontend specifications.
- Developed and deployed 3 React Native features, increasing user engagement by 25% within two months of launch.
- Implemented clean, responsive UI components aligned with modern mobile UX standards.
- Identified and resolved 6+ critical production bugs, ensuring a stable and error-free release.

- Optimized application performance through debugging and best-practice frontend development techniques.
- 

## EDUCATION AND TRAINING

**Bachelor of Science:** Computer and Information Sciences

04/2019

Tai Solarin University - Ogun State, Nigeria

---
